Dear Parent/Carer,

### **Creative careers opportunity**

We have an exciting opportunity for our students to learn about how musicals are created.

Students will have the opportunity to attend an online webinar, at the academy, hosted by the Victoria and Albert Museum; students will hear from cast and creatives from Disney's Aladdin the Musical, about the process of theatre making and the skills and attitudes required to embark on a career in the creative industries. Students will gain insights into design, choreography, costume and more.

We will be joining the webinar via zoom on Tuesday 23<sup>rd</sup> January 2024 at 3:30pm, and the talk will last for roughly 1 hour.

Students across all year groups are invited to attend.

Please complete the reply slip below if your child would like to attend, unfortunately, students will not be able to attend if the permission slip has not been returned to the Student Hub by the closing date of Wednesday 17<sup>th</sup> January 2024.

Rooming will be confirmed once numbers are finalised.

Yours sincerely,

Miss Furnell  
Subject Leader of Creative Arts and Technology
