Lettings and Conditions of Hire Policy

1. Introduction

The Trustees are keen to extend the use of the excellent facilities across the University of Kent Academies Trust (UKAT), to the wider community. Provided that there is no interruption to the use of the premises on either site, the facilities may be let to outside bodies in order to:

- Further integrate UKAT and the Academies into the local community
- to promote community cohesion through the use of the Academies facilities
- To increase the opportunities for physical, educational and community activities amongst students and the wider community in the local areas
- Raise income for the Trust (UKAT)

1. Definition of a letting

A letting may be defined as 'any use of Academy premises by either a community group or a commercial organisation', regardless of whether a letting fee is charged. It must not interrupt the primary activities of the Academies.

Use of the premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of students supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget and will take priority in use of facilities.

2. Charges for a letting

The Finance and Staffing Committee are responsible for approving the scale of charges annually across the Academies. The Finance Director is given the delegated authority to vary charges when appropriate, for example, for non-profit making organisations who work in partnership with the University of Kent Academies Trust (UKAT) and the individual Academies.

In setting charges, the following have been considered:

- The variable costs of providing the facility
- The staffing costs incurred when providing the facility
- The charges made for similar facilities locally

The Trust or individual Academies budget will not subsidise third party activities.

3. Applying to use the Academy facilities

Enquiries about using the premises should be made online using the dedicated Academy School Hire website. Access is through the Academy websites under the Facilities pages or direct on the School Hire website.

In association with the Prevent Strategy, we will ensure, as far as it is practicable to do so, that any third parties wishing to use or hire Academy facilities, are properly vetted with regard to the purpose of the letting arrangement. UKAT will not allow our facilities to be hired to any person or group that wishes to promote extremist views, or seek to radicalise others. All applications will be closely vetted to ensure that we do not facilitate the provision of a platform for extremists to disseminate extremist views.

We will consider letting to any group able to comply with the terms and conditions outlined in this policy. These terms and conditions are clearly stated in our online application form, terms and conditions and Hirer induction documents.

The final decision on compliance, and whether a booking is accepted, lies with the Trust (UKAT).

UKAT reserves the right to request a copy of the hirer's Safeguarding and Child Protection Policy at any time.
