A University of Kent Academies Trust School

Dear Parents/Carers

I hope this email finds you safe and well. I wanted to give you a brief update on a few areas.

A reminder that the full details on the return for Year 10 and 12 students from the 15th June will be out at the start of next week. These will include all the details and precautions that we are taking across the Trust. We have yet to receive an update from the DfE and Government about the start of the new academic year in September.

After a few months of going backwards and forwards with planning, Wednesday saw an exciting development in the construction of the new classroom block by the main entrance, as we officially broke ground and work has started.

In these extremely challenging times I have reminded students about the different methods of communication that they can contact us on. Please can we request that you remind your child of the following email addresses and encourage them to contact us if they need help and support in the following areas:

refernowcg@universityofkentacademiestrust.org.uk - for assistance with their learning, general worries or concerns around wellbeing.

childprotectioncg@universityofkentacademiestrust.org.uk - for assistance with any issues regarding to student safety.

valueyourvoice@universityofkentacademiestrust.org.uk - for assistance with any issues regarding inequality.

We are here for the students, we check these email addresses daily and we want to encourage students to reach out via these communications if they need help, support or guidance.

It is a very challenging time for students and yourselves and we just need to be mindful that we keep in touch as much as possible.

We hope that by encouraging our students to email us we can better support them, resolve any situations of difficulty effectively and smoothly.

If you have any issues or concerns that are flagged up by your child - can you please ask them to use the above email addresses to report these and we will pick up any concerns via this route of communication.

Yours sincerely

Wendy Walters
Principal
